 MOUTH

WORD **suite** TALK

A Casa Morada vista.

Islamorada's renovated **Casa Morada** brings boutique chic to a Florida Keys island known more for fishing than for style. Each of its 16 suites has a garden or a terrace, and for those who tire of the beach, there are bikes for exploring (305-664-0044; casamorada.com; doubles, \$199-\$349).
